

## Crosslin's Corner

*From the desk of the principal....*

Dozens of times over the past several years, I have spoken to parents, grandparents, visitors, and substitute teachers who tell me there's something special and different about West Field. Some mention the polite and welcoming gestures of students and staff; others acknowledge our academic excellence; some even say they can't quite figure it out, but West Field just feels different than other schools. One thing that has contributed to the climate of respect as well as academic excellence is Great Expectations. For the past 11 years, West Field has been a GE Model School. As we begin the school year, West Field has renewed its focus on Great Expectations (GE), focusing monthly faculty meetings on GE classroom practices and keeping GE at the forefront of our instructional vision. Great Expectations is a professional development program that provides teachers and administrators with the skills needed to create harmony and excitement within the school atmosphere, elements that are basic for inspiring students to pursue academic excellence. With a focus on the human quality of teaching and learning, GE provides renewal and inspiration for teachers. For students, GE provides instruction rooted in life principles such as respect, courtesy, camaraderie, integrity, honesty, and many more. Students explore enriched literature, inspiring quotes, and practices that demonstrate mutual respect. I encourage you to talk to your children about GE's 8 Expectations for Living and see what they have to say! Better yet, take a look for yourself at <http://www.greatexpectations.org/>.

Thanks!

## UPCOMING SCHOOL HOLIDAYS

September 18<sup>th</sup>

# Stanley Hupfeld News

A letter will be coming home in your student's Thursday folder about our continuing partnership with Stanley Hupfeld this year. Please take time to read about all of the exciting opportunities there will be to give, serve and get involved with this endeavor. Thank you for your continued support and helping me show our students there is a world outside our doors and that sharing and caring for others comes back to you!

## KC CLUB

KC Club kicks off the year on September 21<sup>st</sup> at 3:15 in the Media Center. We have had such a positive response to this club that we had to make two clubs this year! If your student is a KC Club member, be sure to verify if they are a 1<sup>st</sup> semester member, or a 2<sup>nd</sup> semester member. Parents, please remember pick-up from the club is **4:00 p.m.** Please make arrangements to be here on time so our teacher volunteers can get back to their classrooms to get ready for the next day.

**Sonic Teacher Carhop night is Thursday, September 28<sup>th</sup> from 5:00-8:00 p.m. Come out and see your favorite teacher, have some dinner and support our school!**
