

Dear West Field Families,

It is with great enthusiasm and excitement that I write this letter of introduction as the new Assistant Principal of West Field Elementary School. I am truly honored to accept this new role and look forward to working alongside Mrs. Smith and the rest of the faculty and staff at West Field Elementary. Working together, I am confident that we will provide our students with a truly engaging and enriching school experience.

I grew up in Western Oklahoma and am proud to be part of a family with many career educators. We are all proud Southwestern Oklahoma State University graduates. My degrees and certifications are in Elementary Education, Early Childhood Education, Language Arts, and Educational Administration. I have never wanted, nor considered doing anything else. My life's work and purpose is this work serving our young learners. I am proudly entering my twenty-sixth year in Education. Most of my classroom experience has been in grade levels PK-4. The last few years have been spent in Instructional Coaching and Curriculum, and most recently as Assistant Principal.

I consider myself an avid life-long learner and am very passionate about the work I do and pursuing best practices. Over the years, I have attended a great deal of training, conferences and institutes. Learning, travel and outdoor adventures are some of my favorite things to do. I have two daughters, nineteen and twenty-one, of which I am extremely proud. One is in Nursing School and the other is pursuing Cosmetology and Esthetician licenses.

The West Field staff has given me such a warm welcome and I simply cannot wait to meet the families and students of this great school! Please do not hesitate to contact or reach out to me. You may call the office at (405) 340-2285 or contact me via email at [gina.bolding@edmondschools.net](mailto:gina.bolding@edmondschools.net).

Sincerely,  
Gina Bolding
